5-DAY INITIAL COURSE OBJECTIVES

WorkSafe Victoria approved

This course provides health and safety representatives with an understanding of the objectives of the OHS Act 2004 and their role under the Act –

- Knowledge of their powers under the OHS legislation and how to exercise these powers
- Skills in representing members of their designated work group including consulting, issue resolution and negotiating with their employer
- Knowledge of where and how to obtain assistance in dealing with hazards and dangerous situations; and
- An understanding of the role of OHS in the workplace in the prevention of incidents, injury and illness.

Health and Safety Representatives/ Deputies have the right to attend the 5-day Initial course of their choice during their normal working hours under Section 67 (1) (a) and (b) of the Victorian Occupational Health and Safety Act 2004

ON-SITE TRAINING

Many prefer to have courses delivered in their workplace. This can be a less expensive and more convenient option for you, as well as allowing issues of interest to your organisation to be covered comprehensively.

On-site training can include –

- Initial training
- Refresher training
- 2-Day course for Managers, Supervisors, OHS Coordinators, Committee members

HOW TO ENROL IN A COURSE

Fill out the application form on the reverse side nominating the course of your choice. Please contact the Centre if you need additional copies of these forms. Alternatively download a form via our Website – www.ohsrep.org.au

The VTHC OHS Training Centre is committed to provide health and safety training to a diverse range of people. We take into account different learning needs and can arrange to meet specific requests if notified prior to course. We also need to know if access is required for limited mobility. Please advise on enrolment.

FOR MORE INFORMATION

If you would like more information about our courses or would like to discuss organising on-site training for your organisation, contact us by telephone 9659 3511 or 9663 5460 or email ohstrain@vthc.org.au

1-DAY GENERAL UPDATE REFRESHER

The VWA Refresher training is approved under Section 67(1)(b) of the *Occupational Health and Safety Act 2004* and allows a 1-Day training course for the elected OHS Representative and Deputy.

WHAT'S COVERED

- Session 1 – covers legislative update on the Victorian OHS 2004 Act and the OHS Regulations 2007, WorkSafe compliance codes and guides
- Session 2 – covers consultation, communication, problem solving
- Session 3 and 4 – covers hazard identification and control with either manual handling, work related stress, incident investigation or hazard mapping

NETWORKING FOR SAFE WORKPLACES

www.ohsrep.org.au

The aim of the website is to provide information and resources as well as actively involving OHS Representatives with OHS campaigns. Reps can currently access information, subscribe to the regular e-newsletter "SafetyNet", receive the latest news items, submit their own stories, vote on our regular on-line polls and have OHS related questions answered.
